WOOD FINISH PANEL

Design No. 102

A close-up photograph of a wood-grain laminate panel. The panel features a vertical wood grain pattern in a medium brown color. A white rectangular label with a black border is positioned at the bottom center of the frame. The label contains the text 'R 102' in a bold, black, sans-serif font. To the left of the panel, a sliver of a light-colored, patterned wallpaper is visible. To the right, a white trim piece is partially seen.

R104

A vertical sample of wood-grain laminate flooring. The image shows several planks with a rich, dark brown wood grain pattern. The planks are separated by thin, light-colored lines. A white rectangular label with a slight shadow is positioned in the upper-middle section of the image, containing the text 'R 109' in a bold, black, sans-serif font. The background behind the planks is a light, textured surface, possibly concrete or a subfloor.

The image shows three vertical wooden planks of a reddish-brown hue, likely oak, with a prominent vertical grain. The planks are separated by thin, light-colored vertical lines. The central plank is the largest and features a large, dark, irregular stain or knot. The text 'R112' is printed in a bold, black, sans-serif font across the middle of this central plank. The background is a plain, light-colored surface, possibly a wall or a display board, with a portion of a black office chair visible on the right side.
